## BR6 Front Bumper Series - 1/2 Ton Trucks

Go Rhino's **BR6 Series Full Width Front HD Winch Bumper** is laser measured and designed in 3D CAD to form fit the contours of each vehicle. Offering excellent protection thanks to the welded, one-piece design with integrated light ports, heavy-duty D-shackle mounts, winch ready, durable Black textured powder coat finish, and it's backed the Limited Lifetime Warranty.

- Designed to fit the contours of each vehicle
- Steel two-piece design holds up to 12,000 lb winch and makes installation easier
- 1/4" steel winch tray and mounting brackets
- Hinged cover can be used with or without a winch
- Patented heavy-duty Rhino hook D-ring shackle mounts (US Patent # 790,408) are mounted directly to frame rails for extra strength
- Unique design includes integrated light ports for lighting customization with optional light plates and patented Light Mount Bar (US Patent # 757,316)
